CHAIRMAN'S WELCOME

Once again the time has come around to unveil another Revels show, our 52nd annual production.

I wish to begin by welcoming you our faithful and loyal audience and thank you most sincerely for your support. Thanks also to our sponsors and local media for the continued support extended to us, a local community Musical Society.

To my fellow committee members, cast, and all involved in putting this show together a huge thank you for your work ethic, dedication and commitment. Throughout the years we lose people from our committee and from our cast. Some of the younger age group to State exams, college commitments or moving away to find work, and a number of our older cast to home or personal responsibilities. These people are invariably missed but they know that the Revels' door is always open and they are welcome to return at any time. But, happily, each year new people come on board, bringing fresh ideas, talent and excitement. However, all the time there is that core group who continue to work relentlessly in the background, all blending well together and resulting in, what we hope, is a first-class family entertainment show.

Please sit back now and enjoy Revels 2016.

Sincerely,

John Joe Price
Chairman

April 2016

IL DIVA

We've Come a Long Long Way Together...

"It's one thing to have songs and ideas in your head but quite another to bring them to life. So ladies, for all your word changing, note changing, key changing, clothes changing, commitment, patience and pure hard work thank you so so much. You have been amazing to work with."

Tina Price Lynch

IL DIVA: Louise Byrne, Catherine Carry, Mary Crilly, Sarah Crilly, Dee O'Luanaigh, Jennifer Downey, Alice Duddy, Anna Duddy, Josie Farrelly, Sandra Finnegan, Kathy Fox, Geraldine Gordon, Shauna Gordon, Rachel Groome, Aoife Hoey, Aoibhean Hunter, Jade Johnson, Fern Kelly, Maureen Leonard, Laurena Markey, Dorothy McGuinness, Aoife McGuire, Elizabeth McLarney, Christine Monaghan, Grace Monaghan, Emer Morgan, Michelle Nevin, Dee O'Luanaigh, Carol O'Hare, Bernie Price, Lisa Price, Leah Price, Chloe Sheeran, Emily Smyth, Aoife Traynor, Maree White.

"RATHKENNY REVELS REMEMBERS 1916"

It was a long strange road that brought Roger Casement to Banna Strand near Ardfert, County Kerry on April 21st 1916, that would be the preface to his trial in London for treason, espionage and sabotage and for which he was hanged in Pentonville prison on August 3rd that year. He was bringing arms for the Rising to Banna Strand but the "Aud" had no proper radio signals and was intercepted by the British. All the crew surrendered and the 'Aud Norge' complete with cargo went to the seabed. Casement was brought to Pentonville prison in London and hung in August 1916. He is buried in Glasnevin cemetery.

This year we are proud to present a very special piece on the 1916 Rising which will form a major part of our show. 1916 heralded the start of a wish by many Irish citizens for an Irish Republic, even though it included catastrophic killings of volunteers and soldiers alike. Roger Casement had agreed to bring guns from Germany to be used in the Rising but the Padraig Pearse, James Connolly, Thomas MacDonagh, Eamonn Ceannt, Joseph Plunkett, Sean MacDiarmada and Thomas Clarke were the 7 signatories to the Proclamation and they were all shot in Kilmainham Jail some days after the Rising. In this tribute, we salute the men and women of the Rising with song, music, and recitation from that time. Already many events have been celebrated nationwide and worldwide about the Rising this year, but tonight we are privileged to host our version on the actual anniversary of the Rising this weekend - 24th April 1916.

Did you know that Eamonn DeValera, who led the Rising in Bolands Mill was saved from execution because he had American citizenship? Did you know that Joseph Mary Plunkett and Grace Gilbert were married for only 7 hours, when he was later taken to Kilmainham Jail to be shot? We hope that our tribute will answer some of your questions about the Rising and we want you to relax and enjoy our special tribute.

THE QUIET MAN

Paddy Fox, Tallanstown, Ardee - Died Wednesday; 16th March 2016.

Paddy joined the Silvertones in 1988 and was drafted immediately into Rathkenny Revels by the late Jimmy Carry. He loved being part of The Revels so much that he stayed for about ten years. He was a very accomplished, but humble lead-guitar and banjo player. You wouldn't know he was in the hall until he got on stage and smiled his way through a polished performance.

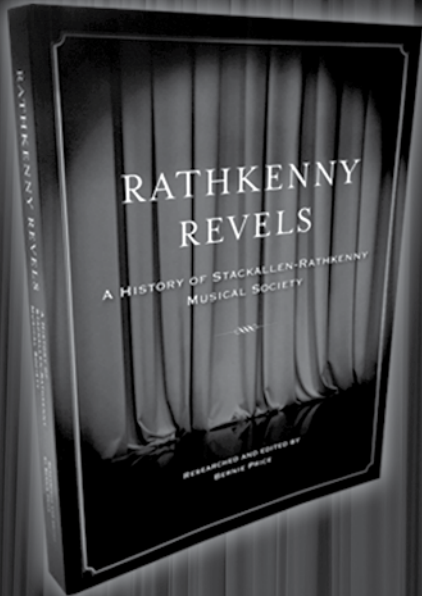

Paddy last played with us at the Revels fiftieth Anniversary Show in October 2014.

Our most sincere sympathy is offered to his family and friends. R.I.P.

Left - Right: Anthony Price and Paddy Fox.

LOVE LILLY CAMPAIGN

Revels celebrated Christmas 2015 early last November with a special festive show in Rathkenny Hall. This was in response to a request to help with the Love Lilly Campaign.

Love Lilly is a Trust which was set up to support, now ten year old, Lilly and her family originally from Stackallen, while Lilly underwent a stem cell transplant in Newcastle last year. We are so delighted to let everyone know that Lilly is home again among her family and friends. She is continuing to attend Crumlin Hospital and making good progress in her recovery. Lilly hopes to return to school in Stackallen in the near future.

We want to take this opportunity to again thank everyone involved in that special Christmas production. To Lilly and her family we want to extend our wish for Lilly to enjoy a happy healthy life.

Lilly O'Neill happily returns home...

GRAINNE & NIAMH

Grainne & Niamh are the Choreography stars of Revels 2016, having learned their craft not only in Revels past, but from the many musical organisations they have been involved with. They both have a passion for singing and dancing. They have put tremendous effort into the dance routines under the direction of Audrey Norris. They did whatever was asked of them and more, and they have made a real difference to this year's show. Grainne's sister Shauna and their Revels friend Jennifer came to the rescue at times, and to all we say **A Huge Thank You.** All of these young people are the future of The Revels.
