## REVELS AT REHEARSAL 2018

## CHAIRMAN'S WELCOME

### *Chairman's Report 2018*

Fifty-five consecutive years, one of the longest-running variety shows in the country. This makes me reflect on how we are still going, a strong, local, mostly voluntary group of people. Year on year people keep turning up to be part of this Society, and we still have a strong, loyal, growing audience.

For many reasons we lose people who we were delighted to have as part of our Society, and who contributed so much in all areas. These people are missed very much and are fondly remembered especially at this time. Any former members interested in coming back are always welcome.

I feel, though, that our very young adults - those who have sat their Leaving Certificate and started college won't be back, at least for the foreseeable future. A lot of our young people have moved to the four corners of the world and this, we are glad to say, is through choice, a sense of adventure and new experience rather than out of necessity.

These young people, who sang, danced, acted and helped in all areas of production, have now the confidence to go and discover what is happening outside their own rural community. They are not confined by parish boundaries, and are bringing with them what they learned not only at home and in their local schools but, I hope, what they also gained by being part of The Revels.

This year we are so delighted to have one of our own back in the position of Musical Director & Producer - Tina Price Lynch. Tina's first major comeback to The Revels was in 2016 with a choral performance entitled IL DIVA produced and directed by Tina herself. She is ably assisted by her equally talented husband Adam as choreographer. Between them and their committed group we know this year's show will be another to remember.

Finally, I would like to thank all of our hard-working team, our audiences and our sponsors for their ongoing loyalty and support.

Sit back and enjoy our 2018 production.

Sincerely,

JJ Price,  
*Chairman 2018*

## NIAMH WHITE REVELLING IN THE GLITZ OF THE GRAMMYS.

Ann Casey (Meath Chronicle Feb 2018) writes:

“From the Rathkenny Revels to the Grammy Awards is quite a journey that Rathkenny native Niamh White experienced”.

Niamh attended the Grammys in Madison Square Gardens while working for The PR agency Lydia Liebman Promotions of New York. Niamh says of Rathkenny Revels “The show gave me some of my first opportunities to perform on stage”. She studied music at BIMM, and graduated with a BA (Hons) in Commercial Modern music. Niamh plays the Sax but in New York is focusing more now on the PR and business side of the industry.

We want to take this opportunity in congratulating Niamh on all she has achieved so far and wish her every success in her continuing career.

## BIRTHDAY WISHES

*Dick Murphy*  
*Happy Birthday to you...*

Dick our master storyteller from Marley's Lane in Drogheda joined the Revels in the early 1990's. Dick has enjoyed performing down through the years with us so much that being in Revels 2018 was part of his bucket list for his 80th. birthday celebrations. We wish him many more years of good health and happiness.

## REMEMBERING FRIENDS

### *Ted Ryan – Revels Musical Director 1997-2005*

Ted sadly passed away on 9th. January 2018. Ted was a magical piano player and competent at the guitar. Revels would like to pay a special tribute here to the man who will be remembered fondly for his massive musical guidance to all Revels shows in which he was involved in.

*Féadfaidh an tiarna trócaire a dhéanamh ar a anam lómhar.*

### *Blaithin Meade – Musical Director 1968-1969, 1971*

Blaithin, Navan's renowned piano teacher passed away peacefully on 2nd. December 2017 aged 87. She was well known in the Meath area for the hundreds of pupils she sat at her beloved piano over 65 years of giving lessons. As well she was our Musical Director in the very early years, and those of us who knew Blaithin knew her as a kind gentle loving person who was fantastic company and who had a great zest for life. We sincerely thank her for her contributions to Rathkenny Revels.

Meanwhile, Miss Mary Cogan, Rochester, has been preparing costumes for the participants. There will be a matinee performance at 2 p.m. on Sunday in Rathkenny Hall where the night show will go on at 8.30 p.m. There will be repeat performances on Sundays, 10th and 17th March, at 8.30 p.m. and on Fridays, 8th and 15th March, at 9 p.m. Tickets for all performances may now be booked from Mr. Sean Curtis, Stackallen (phone 516 71).

## CONTINUING IMPROVEMENTS AT RATHKENNY HALL

Rathkenny Revels are proud to play a part in the continuous upgrade at Rathkenny Hall. JJ Price (Chairperson) and Henry Byrne (Production Manager) in conjunction with the hall committee, are working away tirelessly following last year's improvements to the grounds outside the hall.

The Rathkenny GAA club are also making great improvements to their facilities which will benefit all users of the hall as well, and thank them for facilitating parking on the GAA grounds for our shows.

We pledge our continuing support to the hall and are delighted to be part of this great initiative now and into the future.
